JUNE 2011

VARIETY PYJAMA DRIVE A HUGE SUCCESS

VARIETY TOY LIBRARY PJ DRIVE

Bunning's Geraldton decided to have a day with a difference and help those disadvantaged children of the Midwest by supporting our Pyjama drive. On June 8th they held a PJ day at Bunning's. Staff not only donated pyjama's on the day but came dressed in their pj's as well to raise awareness for our cause. Staff shook the tin raising \$350 for the day then went out and purchased a huge amount of multi sized and sexed pj's. These were presented to the

Women's Resource Centre last week with any extra's being forwarded to Carnarvon. Thank you to everyone who donated pyjama's or cash for this great cause. We hope to be able to put some warm smiles on those children much less fortunate than our own.

WILD WEST MURDER MYSTERY

Wild Bill and his team are the first to ride on into Notynl Nob to help solve the Mystery of the murdered Richard Lickerty. But we still have plenty of other wonderful characters to choose from. Whether you come as a team or join us with just a few gun slinging detectives, you will be able to claim the donation as a tax deduction in this financial year if you get in quick. We only have two months until we head out west so start rounding up your fundraising monies now. Contact the regional coordinator for more information or see our

web site for more details.
